

Flagler Estates Information

Are you looking for some open land for your family...then Flagler Estates just may be the place you're looking for. Typically most of the tracts in Flagler

Estates are 1.25 acres zoned Open Rural, single family residential. There are NO restrictions on the size of your Home either brick and mortar, trailer, modular or stick built.

Also there are NO HOA or CDD fees. Most tracts are heavily wooded, some had been cleared when purchased. Bring your house plans and build your dream home or place your Modular Home or Trailer on your property and enjoy Country living. All properties do require their own Well and Septic

System. Some properties may have wetlands on it and would require an environmental study done by an Engineer. Properties close to Deep Creek are more apt to have wetlands on the property. The best way to determine if there are wetlands, how much and where they are

Florida law requires that any Mobile Home, owned by the same person as the land on which it sits, be assessed as real property. The property Owner must come to the Property Appraisers Office, or an annex location, to declare the Mobile Home as real property and a Real Property (RP) sticker must be purchased. The RP sticker is a one-time purchase, based on the width of the Mobile Home. Those Mobile Home Owners who do

not own the property on which their homes sit, are not required to declare their homes as real property, but are required to purchase a registration

sticker each year. Both stickers can be purchased at the St. Johns County Tax Collectors Office.

What you must bring to the Property Appraiser's Office to declare your Mobile Home as real property:

1. A **Deed** or **Tax Bill** with the correct owner's name.
